EXPIRATION DATE: January 31, 2009

(FOR RENEWAL, SEE 49 CFR § 107.109)

1. **GRANTEE:** International Air Transport Association Members
Montreal, Quebec, CANADA
(US Agent: Douglas Lavin, Washington, DC)
2. **PURPOSE AND LIMITATION:**
 - a. This special permit authorizes the transportation of wheelchairs or other battery-powered mobility aids equipped with a non-spillable battery in checked baggage of passenger aircraft without disconnecting the battery. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein.
 - b. The safety analyses performed in the development of this special permit only considered the hazards and risks associated with the transportation in commerce.
 - c. No party status will be granted to this special permit.
3. **REGULATORY SYSTEM AFFECTED:** 49 CFR Parts 106, 107 and 171-180.
4. **REGULATIONS FROM WHICH EXEMPTED:** 49 CFR § 175.10(a)(15)(iii) in that that the non-spillable battery would not have to be disconnected and its terminals protected from short circuits when it is completely enclosed in a rigid case integral to the wheelchair or other battery-powered mobility aid.
5. **BASIS:** This special permit is based on the application of International Air Transport Association dated July 20, 2007 submitted in accordance with § 107.105 and the public proceeding thereon.

7. SAFETY CONTROL MEASURES: PACKAGING - The non-spillable battery contained in the wheelchair or other mobility aid must be completely enclosed in a rigid case or compartment which is integral to its design. The design of the wheelchair or other mobility aid must provide at least two effective means of preventing accidental activation.

8. SPECIAL PROVISIONS:

a. A person who is not a holder of this special permit who receives a wheelchair or mobility aid with a completely enclosed non-spillable battery within a case or compartment integral to the design of the device covered by this special permit may reoffer it for transportation without disconnecting the battery provided no modification or change is made to it and it is reoffered for transportation in conformance with this special permit and the HMR.

b. A current copy of this special permit must be maintained at each facility where wheelchairs or other mobility aids which contain a non-spillable battery are offered or reoffered for transportation.

c. A list of current IATA members is available on their website at www.iata.org.

9. MODES OF TRANSPORTATION AUTHORIZED: Passenger-carrying aircraft.

10. MODAL REQUIREMENTS: A current copy of this special permit must be carried aboard each aircraft used to transport packages covered by this special permit.

11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:
- o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
 - o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.
 - o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)—"The Hazardous Materials Safety and Security Reauthorization Act of 2005" (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term "exemption" to "special permit" and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of

this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.
